PACKERS BLAME OPA FOR BLACK MARKET

WASHINGTON, April 9.—Representatives of major meat packers charged today the black market in meat is out of control, the price system in the industry has broken down, and the "only remedy" is removal of price controls.

Wesley Hardenbergh, president of the American Meat Institute, led off the attack on OPA policies before the senate agriculture committee and was backed up by other packers from Illinois, Montana and California.

Senator Connally (D-Tex.) asked Hardenbergh whether he thought "the consumers would get a fair shake" if congress removed subsidies and abolished price control in the industry. Hardenbergh said he certainly did.

"This industry's very existence is threatened by the wretched, scandalous, widespread and flagrant black market which has been made possible by the price control act," Hardenbergh asserted.

PREXY NINE SHAPES UP FOR SEASON OPENER NEXT, MONDAY

Six Games Already Booked; New Bloomington First Foe

Only Two Spots and Mound Staff Undecided; Trackmen Book Meet with Richwood.

By JIM DARRY

After one week of practice, only two positions and the pitching staff are open on Harding's baseball team, Coach W. H. Wiley reports. Six games have been booked and more are being negotiated with the season set for April 15.

Coach Wiley said that of the eight boys trying out for pitcher he expects to take four of them as heavy duty regulars. The remaining four will be used as relief pitchers.

Right field and first base are still open. Zander, outfielder and outfielder are fighting for the first base job and Coach Wiley said he might use an off-duty pitcher in right field.

The lineup So Far

The starting lineup as now determined is: Wiley at second; Hill at third; Brown at shortstop; Taylor and Anderson in the outfield. Lee will be first the catcher with Williams backing him up.

Some of the games may be played in Lincoln Park if the schedule does not interfere with the Marion Cardinals. A baseball diamond is going laid out in the northeast corner of Harding stadium and will probably be ready for some of the later games.

The six games already scheduled are: April 15, New Bloomington; April 22, at Bucyrus; April 29, at New Bloomington; May 6, at Richwood; May 13, at Bucyrus; May 20, at Richwood.

Additional games which may be booked will be fitted into this schedule. No games are expected to be played after May 15.

Richwood Meet Set

Plans are being made for Harding's first practice track meet with Richwood. It will be held here, either the last of next week, or during the last week of April. A practice meet at Bucyrus has been scheduled for May 1.

TRIBE CALLS GROMEK TO CUT DOWN GIANTS

Indians Blanked 7-0 as Embree Loses Control.

By The Associated Press

DANVILLE, Va., April 9.—Steve Gromek, one of "Big Four" of the Cleveland Indians, was selected for mound duty in an effort to stop the New York Giants today as the two clubs resumed their barnstorming tour.

The Indians suffered their first loss of the season yesterday when they were blanked 7-0 in a match played in the last of the fifth by Danville.

Lacking control, Red Embree of Cleveland was pounded for 11 hits, with the Giants scoring four of them in the final frame. Bill Vosselle held the Indians to two hits—runners by Manager Leo Breckinridge and outfielder Gene Wengert.

The Giant victory left Cleveland holding a 2 to 1 edge in the series.

Reds and Soxos

Play Benefit Tilt

LEXINGTON, Ky., April 9.—Big League baseball is to play its first game for its more racing today as the northbound Boston Red Sox and the Cincinnati Reds stopped for an exhibition game to benefit the Lexington milk fund.

At Louisville yesterday, the Red Sox trounced the National League, 3-2 and 2-0, for their fourth and tenth wins of the season in 15 meetings in Florida and enroute to home parks.

Bobby Dezer was the Sox's big gun in yesterday's first game, featuring regulars of both squads.

The hard-hitting second baseman accounted for all three runs.

In the seven-inning nightcap between reserve players, the Red Sox failed to get to second as they were checked out by scattered hits by Mel Dautsch.

Sammy Secret Wins

Upset at Cleveland

CLEVELAND, April 9.—It was a split decision, but Sammy Secret's 10-round victory over Harold Green of Brooklyn went into the books today as another upset.

Green, who gained some notoriety a few months back when he was ruled out of New York state for starting a riot after his kayo by Rocky Graziano, was the pregame betting favorite.

Two weeks earlier, Irish Billy Walker was the favorite in the same ring, and lost to Secret.

NEW YORK—Initiation in sport is here. It began with the return of peace and the inception of the new All-America Football Conference which gave National Football League players the opportunity to play for the highest bidder.

Then came the Mexican League's raid on major league baseball players. And now, like a house of cards, the new All-America Football Conference has crumbled on its knees to the tune of \$100 for a single test for the Louis-Cona fight.

Just what will \$100 buy today?

Well there was a time \$100 would get you a jalopy, or a good radio, or a couple of good suits. Right now with reconstruction moving at a snail's pace a century note has just about two outlets—savings and entertainment.

But \$100 for a fight—and there's no guarantee it will be that—was a awful lot of green stuff. It was almost five years ago that Louis 14 box seats for an Army-Navy football game; get logs seats for a Madison Square Garden basketball game (this is possible but not probable); or sit in a clubhouse seat for 23 days at the track.

However, there are many who will gladly pay \$100 for the privilege of seeing the encores on June 19.

Promoted Mike Jacobs has given an advance sale that caters to the counting the amount.

Taking a quick roundup, on other sports events, \$100 would be almost enough to see one sport for most of the season. You could take in about 40 baseball games from box seats; purchase approximately 14 box seats for an Army-Navy football game; get logs seats for a Madison Square Garden basketball game (this is possible but not probable); or sit in a clubhouse seat for 23 days at the track.

Rich Santa Anita Meet to Put Harness Racing in Big Time

By BILL BECKER

Associated Press Sports Writer

ARCADIA, Calif., April 9.—Harness racing, the delight of county fairs, goes big time next Tuesday, April 16, with the opening of the 25-day Santa Anita Grand Circuit meeting.

Nearly 700 top pacers and trotters from 32 states and four Canadian provinces, plus most of the leading trainers and drivers, are here, preparing for the assault on \$400,000 total purses.

The money-laden Western Harness Racing association, comprising movie makers and southern California industrialists, is set to launch a golden era that may bring harness racing up to running with the popularity of the wagering public.

Almed at \$2 Man

The new brand of harness racing is aimed directly at the \$2 bettor who, race observers figure, will have to chuck it in the pari-mutuels at the rate of \$600,000 daily for the meet to encourage the horse-pacing.

Almed, the harness official, have banned bets and introduced a selling starting gate which will be used for all races except handicaps.

The two richest races in harness annals will be offered in the \$50,000 trotting derby May 11 and the \$50,000 pacing derby May 18.

The daily card will include eight races, ranging from five furlongs to a mile and over.

Indicating long-range intentions, the Western association has taken 20-year leases on both Santa Anita and Hollywood Park, alternating annual meetings at the two tracks.

Truancy Charge Bars Delaware Fighter As AAU Battles Open

Charles Moore of Delaware, state Golden Glove lightweight champ, was unable to enter the national AAU championship boxing tournament at Boston which began yesterday. The colored fighter who won the district Golden championship here at Marion and went on to take state honors at Columbus ran into truancy trouble.

School authorities at Delaware Willis High school, where Moore is enrolled, felt his boxing activities were interfering with his school work and Carl Hopkins, principal, filed a truancy complaint against him in Judge H. D. House's juvenile court.

A session in the court with Moore's parents and the school officials, the charges were dropped on condition that he return to school and withdraw from the Boston tournament.

At Boston a field of 172 fighters were carded. Only 131 were able to fight yesterday, the first day, in a session that lasted 11 hours. A session equally as long, with some fighters possibly fighting three times, will be necessary today if the meet is to be completed on schedule.

Four Ohio fighters, Bob Bell, Peter Meigs and Ted Fitzpatrick of Cleveland and Wallace Smith of Cincinnati won last night. Bell outpointed Charlie Peabrey of Oklahoma City in the 118-pound class. Meigs defeated Bobby Tate of Des Moines, Ia., in a 126-pound match. Fitzpatrick outboxed Paul Williams of Carson City, Nev., in the 122-pound division and Wally Smith KO'd Jimmy Zeigler of Baltimore in the second round of their 118-pound game.

Three other Ohioans lost. Don Keeling of Cincinnati lost a 126-pound fray to Floyd Perry of Kansas City, John Holliday of Cincinnati was defeated by John Arnum of Washington in a 112-pounder, and Chas Tabor lost a 160-pound trial to Harold Anspach of Cherry, N. C.
